

# Etac Supporter toilet arm supports

Stable toilet arm supports mounted directly on the toilet.

## Functional arm supports

Supporter arm supports are foldable and have comfortable rounded grips for the hands. With its neat design, Supporter blends naturally into the bathroom.

## Easy and flexible mounting

Supporter is simple to mount without the need for any tools. It fits both floor and wall mounted toilets. If space around the toilet is limited either arm support can easily be detached. The surfaces are smooth and easy to clean.

*Supporter includes seat ring and lid.*
