

# heathfield

## The perfect start

Heathfield is the perfect starter chair for children from 2 years old to young adults who require minimal levels of postural support when seated. Its unobtrusive design means that it fits well into nursery, school and home environments.

## Meeting your child's needs

The Heathfield and its many accessories work in partnership together to provide support and comfort for your child. We recognise that every child is different and the numerous configurations of the Heathfield will ensure that the chair is tailored to your child's needs.

a simple chair with  
lots of answers. A  
favourite at school  
and home

## A natural choice

We believe in wood as a natural material for our chairs. Wood is extremely durable and it holds a contemporary beauty that makes it aesthetically pleasing whilst being environmentally friendly. Our timber comes from sustainable sources and offers thermal properties that make it warm to the touch. Antibacterial agents are added as part of our processing.
