

Immedia Swivel Cushions

FOR TURNING IN SITTING POSITION

Immedia AutoTurn

The Immedia AutoTurn facilitates getting in and out of a car. Its low friction allows the user to slide and turn into the desired position in the car seat. This minimises strain and twisting of feet, knees, hips and back. AutoTurn is fixed around the car seat with a belt and buckle. Handles at the sides can be used to assist the user into place.

Immedia AutoTurn

Immedia EasyTurn

Immedia EasyTurn is a soft swivel cushion that makes it easier for the user to get in and out of a car or bed. EasyTurn is easy to apply and use.

Immedia EasyTurn

Immedia HandySwing Seat

Immedia HandySwing Seat

Immedia HandySwing Seat is a soft swivel cushion specifically suitable to support turning in and out of bed or chair. HandySwing Seat is softer and foldable which makes it easier to place under the user.

INTENDED USE

- In and out of a car
- In and out of bed
